# Florida Keys

# Key West

- We have visited Key West twice, an island in the straits of Florida.
- It is about 90 miles from Cuba & the southernmost place in the USA
- Among the many neat shops, the island's key points of interest include the Aquarium, Mel Fisher's Maritime Heritage Museum & Sloppy Joes Bar (home of the Earnest Hemingway look alike contest).

## The Colors of Key West

Down this street you will find  
A blue so deep it will float you  
In that alley there's a red so loud  
You can hear it with your toes  
Look up and see past the sky  
Yellow to wake you and green to sleep you  
Feel it all around you  
A purple so wide we can all fit in  
These are the colors of Key West
