Overview

- We spent several days in Romania
- Bucharest is known as the “Paris of the East.” We visited it as part of our Black Sea voyage on AMAWaterways. We first visited to the Open Air Museum, dedicated to preserving the traditional architecture of rural Romania, drove by the Palace of the Parliament and finished our tour in the newly renovated Lipscani district, the historical city center of Bucharest .
- We then visited Peles Castle and stayed in Brasov and ended our trip with a visit to Bran Castle.
